SAN DIEGO, CALIFORNIA - AMERICA'S FINEST CITY

San Diego is truly "America's Finest City." A modern metropolis (second largest in California) and a popular year-round resort, San Diego spreads from the coast to the desert, including cliffs, mesas, hills, canyons and valleys. San Diego also surrounds one of California's greatest natural harbors which has been a dominant factor in determining the city's history, economy and development.

Meteorologists claim San Diego as the country's only area with perfect climate. This ideal year-round environment posts an average daytime temperature of 70 degrees, with an annual rainfall average of less than 10 inches. Most days are sunny, with humidity generally low, even in the summer. The climate, attractive setting and recreational facilities make San Diego "America's Finest City."

According to Sports Illustrated, "For sheer numbers of participants, diversity of pursuits of involvement, San Diego must rank as the sports fitness capital of the U.S." Sports are a major feature of the San Diego lifestyle. One can sail, swim, surf, scuba dive, snorkel, wind-surf on 70 miles of public beach or golf at any of the over 80 golf courses throughout the county. Balboa Park, a 1,158-acre recreation and cultural center, offers 25 tennis courts, two gymnasiums, two municipal golf courses, and one of the nation's finest zoos. Mission Bay Park is a 4,600-acre playground for jogging, fishing, bicycling, tennis, golf, jet skiing and kite flying.

As well as participating in recreational activities, San Diego supports their professional teams — the NFL Chargers and the National League Padres play at Qualcomm Stadium. During college football bowl week, San Diego annually hosts the Holiday Bowl. Upcoming in 2003, Qualcomm Stadium is slated to host the Super Bowl, and just recently the 1998 World Series between the San Diego Padres and the New York Yankees was held in America's Finest City. Whatever sporting activity there is, it's here in San Diego — the Sports Capital of the U.S.A.

2002 Torero Preview

Led by a talented group of returning players and fourth year Head Coach Rich Hill, San Diego is poised to have yet another record breaking season. Reaching 31 Division I wins in 2000 and a record 32 victories in 2001, San Diego is establishing itself as one of the premier baseball programs on the West Coast. The 2001 version of the Toreros were the West Coast Conference's best offensive team. San Diego led the league in virtually every offensive category which included a team batting average of .324 along with belting a league-best 56 homers.

The returning talent comes in the form of LHP Ricky Barrett (Preseason Third Team All-American, *Collegiate Baseball*), the 2001 WCC Freshman of the Year, Joey Prast and *Baseball America's* WCC projected Player of the Year, Tom Caple. USD has signed the top prep players in San Diego to help in the 2002 campaign. Freshmen pitchers Michael Bass (Santana HS) and Sean Warlop (Bonita Vista HS) are local products that should give the Toreros quality innings as true freshmen. With their live arms along with veteran pitchers Barrett, Caple and projected number two starter Aaron Wilson (Santana HS), Coach Hill should have a formidable weekend staff. The arm of senior outfielder Joe Lima (2001 WCC Second Team) and the baserunning of sophomore 2B Mike McCoy supplies Coach Hill with some of the intangibles that are needed for a championship run.

The league coaches have agreed San Diego will be the team to beat in 2002. The Toreros were tabbed as the preseason favorites to win the West Coast Conference according to the preseason WCC Coaches Poll. Before tough conference rivals such as Pepperdine and Loyola Marymount have their chance at the favorites, USD must take on a non-conference schedule that includes Big-10 power Michigan, the Big 12's Oklahoma State and Pac-10 member's Oregon State and USC. The Toreros regular season home schedule begins with a three game series against Oregon State in early February.

Head Coach Rich Hill has led USD to back-to-back 30 plus win seasons

All-WCC selection Mike McCoy will lead off and play second base.

2002 Torero Preview

Pitching:

LHP **Ricky Barrett** (9-3; 3.19 ERA 2001) is set to be the Toreros opening day pitcher. Barrett was selected as a preseason third-team All-American by *Collegiate Baseball* and is returning off an All-WCC First Team performance in 2001. Barrett led the conference in batters struck out looking with 37 K's on the year in that fashion, and his seven WCC wins was second best in the league. RHP **Aaron Wilson** (5-1, 3.54 ERA 2001) is the projected number two starter for USD. Wilson finished the 2001 WCC season ranking fifth overall in league play, holding opponents to a .236 batting average. Junior **Tom Caple** led the WCC and set a school record with nine saves in 2001. Caple is undoubtedly one of the best pitchers in the league and is the projected WCC Player of the Year by *Baseball America*. The third spot in the rotation will be competed for throughout the non-conference schedule by RHP **Ryan Richard**, a junior transfer from Louisiana State, and RHP **Sean Warlop**, a freshman talent from Bonita Vista High School. Middle relief pitcher **Mike Oseguera**, a LHP from La Costa Canyon High School in Encinitas, will see innings in relief. He returns off a 2-1 sophomore season in 2001. Freshman **Michael Bass**, from nearby Santana High School earned All-Grossmont North League honors for three consecutive seasons. The Toreros are also looking forward to the return of righty **Pat Lucy**, who is recovering from an injury and is expected to be back in 2002. Lucy made 17 appearances in 2001 and collected three wins. Newcomer **Chad Cummings** comes to USD from Saddleback CC in Orange County where he was an All-Orange Coast Conference selection a year ago.

**Projected #1 starter
Ricky Barrett**

Infield:

Mike McCoy, San Diego's second baseman, brings back a .320 average and was named as an All-West Coast Honorable Mention in 2001. McCoy stole a team-high 20 bases, a number that was fourth highest in the WCC. He was also selected as the Rawlings/WCC Player of the Week on April 2nd, 2001. Catcher **S.C Assael** returns for his senior season after hitting for a .356 average in 2001. Assael and sophomore **Luis Diaz-Miron** give USD formidable depth behind the plate. **Lucas Wennersten** and **Jason Marian** are expected to share time at first base. Wennersten, a 6-6, 250 pound sophomore from Scottsdale, Arizona hit .386 last season in 21 games. Marian returns for his senior season after an All-WCC Honorable Mention performance in 2001. Both Marian and Wennersten will see time at DH this year as well. Marian used his bat to post a .313 average last season while hitting seven homeruns. Expect newcomers, SS **Ben Quinto** (CC of Southern Nevada) and freshman 3B **Freddy Sandavol** (Marian HS), to be everyday players on the left side. After starting 31 games as a freshman, the Toreros will welcome back third baseman **David Bagley**, who missed all of last season due to an illness and injury.

**Shortstop
Ben Quinto**

Outfield:

The Toreros return the WCC Freshman of the Year in leftfielder **Joey Prast** (Poway HS). Prast hit .365 on the year and started in every WCC game. He tied for a team-high 16 doubles and totaled 17 multi-hit games on the season. Look for Prast to play every day in leftfield. Senior rightfielder **Joe Lima** (Mira Mesa HS) is also expected to play a major role for the Toreros in 2002. Lima was named to the 2001 All-West Coast Conference second team. *Baseball America* tabbed Lima as the outfielder with the best arm in the WCC. In 2001 Lima hit .315 and tied for a team-best 8 homeruns in WCC play. Lima totaled 9 homers on the season, 106 RBI and 16 doubles. Junior **Tom Caple** (Rancho Bernardo HS) will play centerfield for the Toreros. Caple hit .313 in 53 games last season leading the Toreros in runs (53), earning him All-WCC First Team honors. As a pitcher, Caple led the WCC and set a school record with nine saves in 2001. Outfielder **Tony Perez** (Eastlake HS) is another San Diego product that is expected to be a big factor for USD. Perez is a junior who is capable of playing every position in the outfield and will give Coach Hill innings as a relief pitcher.

Rich Hill
4th Season
Head Coach
Cal Lutheran, 1984

USD Head Coach Rich Hill begins his fourth season in command of the Torero baseball program. Hill's Toreros finished the 2001 season with a school record 32 Division I wins and has the Toreros entering the 2002 campaign as the preseason favorites to win the West Coast Conference. In 2001, Hill became one of the youngest coaches to reach 400 wins in NCAA history. The Toreros knocked off #16 Oklahoma, #29 UCLA and #20 Pepperdine in 2001 on their way to a #29 National Ranking at season's end. Under the direction of Coach Hill, USD led the WCC in virtually every offensive category in 2001 and notched series wins over each conference opponent.

Hill has proven he can sign the best prep talent San Diego has to offer. The twenty-nine man Torero roster contains fourteen local players including Rancho Bernardo product Tom Caple (Projected WCC Player of the Year, Baseball America), Poway's Joey Prast (2001 WCC Freshman of the Year) and Mira Mesa grad Joe Lima (2001 WCC Honorable Mention).

As a proven recruiter and manager, the 39-year-old Hill has had a record of success in each of his three head

coaching stops - first at his alma mater Cal Lutheran. Hill led Cal Lutheran to a record of 194-76 (.719) over six seasons, including two World Series appearances. His 1992 squad posted a 43-6 record before falling a couple of outs shy of the NCAA Division III title, while the 1993 team finished first in the Western Region with a 32-7 record. Under Hill's guidance, the Kingsmen knocked off Division I opponents such as USC, Pepperdine, San Diego State, UC Santa Barbara and Cal State Northridge. During his six seasons at Cal Lutheran, 92 percent of his players received their degrees.

Prior to his current post at USD Hill completed a five-year coaching stint at the University of San Francisco (1994-1998). Hill guided the San Francisco Dons to a school-record 34 victories in 1998, including a school best 18 wins in the West Coast Conference as the Dons finished tied with USD for third place in the WCC. Over his final three seasons there, Hill guided USF to upper division finishes in the WCC; and posted three straight winning seasons, including two campaigns of 30 or more victories. His teams have set school records for wins in a season at every stop - Cal Lu (43), USF (34), USD (32 Div. I wins) and Chatham in Cape League (35), as well as new team marks in homeruns.

In addition to his collegiate coaching positions, Hill was head coach

for the
Chatham
A's of

the Cape Cod League between 1990-93, winning the league title in 1992 with a franchise record of 35-11. He has twice been recognized as the ABCA West Region Coach of the Year (1992, 1993); was the 1992 Cape Cod Baseball League "Manager of the Year"; was twice named the Southern California Intercollegiate Athletic Conference Coach of the Year (1992, 1993); and twice was the recipient of the California Lutheran Alumni Career Excellence Award (1993, 1994). Hill has made his mark off the field as well. The past seven years he has served on the American Baseball Coaches Association Editorial Committee; and has been an advisor with the Fellowship of Christian Athletes. He started an innovative peer mentoring program with his USF team. Dons players and coaching staff volunteered at the nearby Hamilton Community Center, reading stories and playing games with homeless children. Furthermore, Hill is a speaker and clinician at various conventions and camps throughout the region.

Hill earned his Bachelor of Arts degree (Physical Education) in 1984 from California Lutheran University. After playing one season with the St. Louis Cardinals organization in 1985 (Single A affiliate in Savannah, Georgia), he returned to his alma mater where he earned his Master of Science degree in Education in 1988. Rich and his wife, Lori, live in San Diego with their two children, Robbie (9) and Lindsey (6).

#40 Sean Kenny Assistant Coach 4th Season Eastern Michigan, 1997

Sean Kenny begins his fourth year at the University of San Diego on Head Coach Rich Hill's staff. Besides being the Toreros pitching coach, Kenny is the program's recruiting coordinator.

In 2001, Kenny was a key contributor to USD's record setting season that saw the Toreros win 32 division one games. Kenny has helped Coach Hill amass 97 wins over three seasons at USD and in 2002 will oversee a pitching staff that includes a *Baseball America* preseason All-American in lefthander Ricky Barrett, and righty Tom Caple, who is *Baseball America*'s projected WCC Player of the Year.

Kenny pitched for three years at Eastern Michigan University, where he completed a Bachelor's degree in English Literature with a minor in coaching in 1997. Kenny was drafted by the Mets and played for three seasons in the New York system.

No stranger to baseball in the West Coast Conference, Kenny began his coaching career as a volunteer assistant at Saint Mary's College, where he worked with the Gaels pitching staff in 1996-97. In 1997-98 he served as pitching coach at Laney Community College. Kenny recently completed his Master's degree in Physical Education at Saint Mary's College. Kenny's younger brother, Seth, also pitched for Eastern Michigan and currently is the pitching coach at Austin Peay State University.

Coach Rich Hill on Sean Kenny: *Sean is one of the bright young coaches in today's college game. He has a great understanding of the recruiting game as well as being a superb pitching coach.*

Coaching Staff

#8 Chris Cannizzaro Asst. Coach

4th Season

Chris Cannizzaro, who enters his fourth season with the Toreros, brings a wealth of major league experience to USD head coach Rich Hill's staff. No stranger to baseball in the city of San Diego, Cannizzaro spent 13 years in the majors - including two stints with the San Diego Padres, where he became the first All-Star in Padre baseball history in the 1969 campaign. A durable defensive catcher, Cannizzaro played in 740 major league games while playing for the St. Louis Cardinals (1960-61), New York Mets (1962-65), Pittsburgh (1968), San Diego (1969-71; 1974), Chicago Cubs (1971) and the Los Angeles Dodgers (1972-73). Cannizzaro holds a share of the Major League record for most unassisted double plays by a catcher (2).

Once his playing career ended, Cannizzaro shifted his focus to coaching and spent three seasons (1976-78) with the Atlanta Braves organization before coaching in the California Angels organization from 1979-82 in the Class A Cal State League. Cannizzaro has two sons - Chris Jr. and Ken, and a daughter, Kimberlee. Chris Jr. was a two-time All-America selection at San Diego State where he was a teammate of USD head coach Rich Hill for one season. Cannizzaro also has three stepdaughters - Marcia, Tricia and Jennifer. Aside from his lifelong passion for the game of baseball, Cannizzaro also enjoys golf and spending time with his four grandchildren - Brittney (14),

Morgan (10), Zachary (9) and Cassidy (6). Cannizzaro and his wife, Janice, reside in San Diego.

Coach Rich Hill on Chris Cannizzaro: *Not many college clubs can boast a former Major League All-Star on their staff. Chris's wealth of knowledge and experience is invaluable to our organization.*

The West Coast Conference

**Conference History:**

The baseball portion of the WCC started with five charter members and three associates as LMU, Pepperdine, Saint Mary's, San Francisco and Santa Clara were joined by UC Santa Barbara, Pacific and San Jose State. The conference temporarily split from 1977-84 into the Northern and Southern California Baseball Associations (so divisional play isn't completely foreign to the league), but realigned in 1985 to include San Diego and Nevada in a seven-team league. In 1991, the Wolf Pack departed and a six-team loop existed until Portland and Gonzaga, full members in all other sports, left the Pac-10 North league to bring the WCC to its full-bodied eight-team set in 1996.

This is the fifth year of the current eight-team WCC baseball alignment but the conference has determined a champion in the sport annually since 1968. During that time, teams in the WCC have advanced to four College World Series, including a national title in 1992 (Pepperdine).

Only three of the current members -- Loyola Marymount, Pepperdine and Santa Clara -- have represented the WCC in NCAA tournament play. That trio has an all-time record of 70-72 in the championships. Portland is the only other current member with NCAA tourney experience, most recently in 1991 as the Pacific-10 North representative.

The WCC sends representatives to NCAA championships in each of the 13 league sports. Overall, conference members have won 32 NCAA team and individual titles.

Changes In Store For 2002:

West Coast Conference baseball enters its 35th season and its fourth season of divisional play under an eight-team alignment. Two four-team divisions, aptly named "West" and "Coast" will play a 30-game schedule. The champions of each division will collide at the end of the season in a best two-of-three series to determine the WCC's automatic entry into the NCAA Championships. The site of that playoff will be based completely on the outcome of the regular season series meeting between the two champions. The winner of that three-game regular season collision earns the right to host the championships.

Each team will play a total of six games against each team in its own division, three home and three away, and a single three-game series against each team in the opposite division. Every two years two teams will swap divisions, effectively mixing the matchups over an eight-year span. Of note is the fact that traditional local rivals (Portland-Gonzaga; Saint Mary's-San Francisco; LMU-Pepperdine and Santa Clara-San Diego) will never be in the same division. Last season Gonzaga captured its first division title eventually falling to Pepperdine two games to one in the third WCC championship series.

USD Athletic Department

TOM IANNAZONE
Director Of Athletics

Tom Iannacone is in his fourteenth year as Director of Athletics at the University of San Diego. He was named Director of Athletics on September 1, 1988 after holding the same position the previous four years at St. Francis College of Pennsylvania.

At USD, Iannacone directs an Athletic Department that includes sixteen NCAA Division I intercollegiate varsity teams, eight men's and eight women's, plus intramurals and recreation.

In the last thirteen years behind his direction and leadership, Torero Athletics has enjoyed successes both on and off the playing field. His accomplishments at USD include an internal reorganization of the athletic department, plus improvements in the major areas of personnel, scholarship assistance, facilities, promotions and marketing, fund raising, drug education, academic support, and a university approved plan for scholarship support and sports sponsorship. In addition, he was instrumental in USD gaining membership to the Pioneer Football League, which began play in 1993. He has served on the I-AA Athletic Directors Association Executive Committee; and is past Chairman of the West Coast Conference Athletics Directors Committee.

During Iannacone's tenure, facilities at the USD Sports Center, along with all athletic fields, have seen vast improvements. In October of 2000, the Jenny Craig Pavilion opened, a new 5,100 seat multi-purpose facility which is now home to USD basketball and volleyball, and will benefit the entire university community. Improvements at the Sports Center include complete renovations of both the north and south wings that added offices for administrators and coaches; additional locker rooms for women's basketball, volleyball and women's soccer; an athletic department conference room; and an academic support room. Torero Stadium, where football, men's and women's soccer compete, was widened to accommodate soccer, and added a state-of-the-art lighting system and scoreboard. The Softball Complex has benefitted with a new dugouts, scoreboard, batting cages and additional seating. Additionally, The Canyon Field received lighting and a complete renovation for intercollegiate practices and intramural use.

On the playing fields, USD has sent thirty teams to NCAA Tournaments since Iannacone's arrival in the Fall of 1988. Additionally, the school has captured ten conference championships; twenty-eight NCAA All-Americans; eighteen CoSIDA/GTE Academic All-Americans; twenty-five conference Coaches of the Year; nineteen conference Players of the Year; and four West Coast Conference Scholar-Athletes of the Year. Besides having the 1999 NCAA National Champion in women's tennis (Zuzana Lesenarova), the Torero athletic program came out on top of the WCC schools in terms of overall strength in 1999 (based on an unofficial scoring system produced by USD each season). For the first time, the 1998-99 combined men's and women's athletics programs at USD ranked first in the standings. Since 1988 the university has been the host site for NCAA Tournament events for women's volleyball, men's soccer and women's tennis.

Prior to USD, Iannacone built an impressive list of credentials at St. Francis College as Director of Athletics between 1984-87. His major contributions included the expansion of sports offerings and scholarships for both men and women, improved budgets, renovation of athletic facilities, the hiring of additional staff, and the establishment of a master plan for the future and continual development of athletics. He served on several committees, most notably the Eastern Collegiate Athletic Conference (ECAC) Infractions committee and the Northeast Conference committee on conference development.

He served as assistant Director of Athletics at Fordham University between 1977-84. Along with his administrative duties, he was assistant football coach for the Rams. Between 1975-78, he acted as offensive coordinator and backfield coach as Fordham captured 19 victories in their final 24 games during this span. The '77 squad was and remains the highest scoring team in Fordham history, averaging 34 points per game. In 1983 he was presented the prestigious Jack Coffey Award by the Alumni Association for his outstanding contributions to Fordham athletics. He also served on various Metro Atlantic Athletic Conference committees.

Prior to Fordham, Iannacone taught physical education and coached track and field, and football in Connecticut Public School Districts from 1964-76. He made his collegiate football coaching debut as an offensive backfield coach at Western Connecticut State University in 1974. A 1964 graduate of the University of Connecticut, Iannacone received his master of science degree in physical education from Southern Connecticut State University in 1973. Tom and his wife, Cynthia, have three children: Tom Jr., Jennifer and Eric. All three are graduates of the University of San Diego.

Torero Strength and Conditioning

The University of San Diego Athletic Department has made a commitment to increase athletic ability throughout the entire student athlete population. Therefore, each student athlete will be given a sport specific training program based on the metabolic demands of their position and sport. This is accomplished by training for the proper combination of power, strength, size, speed, agility, flexibility, endurance, and footwork. It is the responsibility of the strength and conditioning staff to design and implement workouts, teach and demonstrate proper lifting technique, and to monitor and evaluate each individual athlete's progress, while maintaining a positive environment to train in. Along with increasing athletic ability, the strength staff also has the goal of decreasing athletic injuries both in and out of the athletic arena.

The heart of the strength and conditioning program is the USD Sports Center weight room. It is open exclusively to student-athletes at specific times each day. The weight room contains 5,000 square feet of Olympic platforms, free-weights, selectorized machines, dumbbells and cardiovascular equipment.

The goal of the strength and conditioning department is to educate and motivate each student athlete to maximize their genetic potential and create an environment where athletes can develop into champions both mentally and physically.

City of San Diego

San Diego is truly "America's Finest City." A modern metropolis (second largest in California) and a popular year-round resort, San Diego spreads from the coast to the desert, including cliffs, mesas, hills, canyons and valleys. San Diego also surrounds one of California's greatest natural harbors which has been a dominant factor in determining the city's history, economy and development.

Meteorologists claim San Diego as the country's only area with perfect climate. This ideal year-round environment posts an average daytime temperature of 70 degrees, with an annual rainfall average of less than 10 inches. Most days are sunny, with humidity generally low, even in the summer. The climate, attractive setting and recreational facilities make San Diego "America's Finest City."

According to Sports Illustrated, "For sheer numbers of participants, diversity of pursuits of involvement, San Diego must rank as the sports fitness capital of the U.S." Sports are a major feature of the San Diego lifestyle. One can sail, swim, surf, scuba dive, snorkel, wind-surf on 70 miles of public beach or golf at any of the over 80 golf courses throughout the county. Balboa Park, a 1,158-acre recreation and cultural center, offers 25 tennis courts, two gymnasiums, two municipal golf courses, and one of the nation's finest zoos. Mission Bay Park is a 4,600-acre playground for jogging, fishing, bicycling, tennis, golf, jet skiing and kite flying.

As well as participating in recreational activities, San Diego supports their professional teams — the NFL Chargers and the National League Padres play at Qualcomm Stadium. During college football bowl week, San Diego annually hosts the Holiday Bowl. During 1998, Qualcomm Stadium hosted the Super Bowl game between Denver and Green Bay, and the World Series between San Diego and New York Yankees. Whatever sporting activity there is, it's here in San Diego — the sports capital of the U.S.A.

LOOK WHO'S TURNING 50!

THE WEST COAST CONFERENCE TURNS 50 THIS YEAR and will embark on a season-long celebration looking back at 50 years of tradition-filled rivalries, excellence in the classroom and exciting athletics success.

THE WEST COAST CONFERENCE was originally founded in 1952 as the California Basketball Association to provide a convenient venue for five San Francisco Bay Area schools to compete in basketball. Since that modest beginning, the Conference has evolved into a nationally recognized and competitive force within the NCAA.

The league formally known as the West Coast Athletic Conference currently sponsors 13 sports: baseball, both men's and women's basketball, cross country, golf, soccer, and tennis; and women's volleyball and crew.

FROM THE PINE FORESTS of Eastern Washington, to the Columbia River Basin, to the dynamic San Francisco Bay Area, to the sunny beaches of Southern California, the current WCC membership spans the western coast of the United States. The Conference is characterized by the stability of its membership, as only two NCAA Division I conferences nationally have been together longer.

Since its birth in 1952, the WCC has been a dominant force in intercollegiate athletics, boasting 33 NCAA individual and team championships. And while titles are being earned on the field, degrees are being earned in the classroom, as the WCC is home to numerous Academic All-Americans. And after graduation, West Coast Conference alumni have continued to flourish, as some of the world's elite athletes started in the WCC.

THE 50-YEAR HISTORY OF THE WCC demonstrates that success in intercollegiate athletics can be built on the foundation of values, character and academics. The champions of tomorrow are competing today, so look to the West Coast Conference, where the nation's best student-athletes continue to make their mark in sports history.

SETTING

The University of San Diego is an independent Catholic institution of higher education. Founded in 1949, USD is located on 180 acres overlooking Mission Bay, San Diego Harbor and the Pacific Ocean. The campus is named Alcalá Park and is located just 10 minutes from downtown San Diego and the world famous San Diego Zoo. Historic Old Town is just minutes away as well.

The city of San Diego along with this campus traces their origins to fifteenth century Spain. The campus was named after a Spanish village near Madrid - Alcalá de Henares. Founded by the Greeks as Complutum, the village was later renamed Al Kala (the Castle) by the Moslems. Christians recaptured the village centuries later and founded a university, the University of Alcalá, whose buildings became the inspiration for USD's style. Both institutions are located on a hill overlooking a river valley.

THE CAMPUS

The USD campus is regarded as one of the most architecturally unique institutions in the country, featuring 18 major buildings designed in an ornamental 16th century Spanish Renaissance style.

Since 1984, USD has completed 11 major construction and expansion projects. A five-story, Spanish Renaissance parking garage (1,100 spaces) was completed in 1998. A landscaped fountain plaza was finished in the fall of 1995, connecting the entrances of the Immaculata and Hughes Administration Center. In 1992, the university completed the 45,000 square foot Loma Hall, which includes an expanded bookstore, a larger mail center, classrooms and laboratories. In 1990, the renovated Katherine M. and George M. Pardee Jr. Legal Research Center opened, a facility that offers the latest in information technology.

ACADEMICS

USD enrolls more than 6,943 students who have a choice of more than 50 undergraduate and graduate degree programs. The university's academic units include the College of Arts and Sciences, and the Schools of Business Administration, Education, Law and Nursing. Class size generally averages between 18-25 students with the student to teacher ratio being 18:1. Over 97 percent of USD's full-time faculty hold doctorates.

In the annual ratings of the country's colleges and universities, published by *U.S. News & World Report*, USD moved from the regional to national category in 1994. The university is ranked among the top 100 schools in the nation.

STUDENT LIFE

Student activities include cultural events, dances, boat cruises, beach parties, BBQ's, concerts, comedy nights, symposia and much more. Students participate in a wide range of volunteer projects such as adult literacy tutoring, senior citizen outreach, and house building in Tijuana. The intramural program is also an integral part of student life on campus with over two-thirds of the USD community partaking in intramural sports.

ATHLETICS

The University of San Diego is a member of the West Coast Conference for nearly all sports and competes in 16 intercollegiate sports on the NCAA Division I level. Women's sports include: basketball, crew, cross country, soccer, softball, swimming, tennis and volleyball. Men's sports include: baseball, basketball, crew, cross country, golf, football, soccer and tennis. Since 1990 USD teams have won nine conference championships; made 26 NCAA post-season appearances; had 25 Conference Coaches of the Year; 20 Conference Players of the Year, 11 Conference Freshmen of the Year, four WCC Scholar Athletes of the Year and 29 All-America selections. The USD Volleyball program has won two conference championships, made five NCAA post-season appearances, had three Conference Coaches of the Year and two Conference Players of the Year.
